I hereby give permission for my child to fully participate in the University of Toronto Space Design Contest (UTSDC) program provided by the University of Toronto Faculty of Applied Science and Engineering. In particular, I give permission for my child to attend the Design Fair and Conference held from May 12 to May 15, 2011, on the St. George Campus of the aforementioned university.

While I understand that all reasonable steps will be taken to provide individual care and safety for each student participating in the Design Fair and Conference, the University of Toronto, UTSDC, their officers, directors, volunteers, employees and agents cannot assume responsibility for any injury, damage or harm that might result during the course of any activity during the program.

Activities will include supervised-off campus events like tours of the University of Toronto Institute for Aerospace Studies, and on-campus activities such as lectures, a display fair, and other entertainment-based events. Students will be given supervised free time to pursue activities of their own choosing at the discretion of UTSDC staff. Students will not be given unsupervised free time.

I am aware that I will be responsible for arranging transportation to and from the University of Toronto campus. Transportation to and from scheduled residence program activities will be arranged by UTSDC program staff.

I understand that the rules and regulations of the UTSDC Design Fair and Conference and the student code of conduct are designed for the safety and protection of participants, and hereby undertake that my child will abide by these rules and regulations and code of conduct.

I authorize any necessary medical treatment for my child in the event of illness or injury sustained in my absence while attending the Design Fair and Conference. I hereby certify that my child has sufficient health insurance coverage to be treated in the province of Ontario if such medical attention is required. I will ensure that my child carries their provincial health card or equivalent identification during the Design Fair and Conference.

Participants are responsible for their own personal property. The University of Toronto does not provide any insurance coverage for personal belongings.
