UTSDC SPACE WORKSHOP – INFORMED CONSENT AGREEMENT

I hereby give permission for my child to fully participate in the University of Toronto Space Design Contest (UTSDC) program provided by the Faculty of Applied Science and Engineering. In particular, I give permission for my child to attend the Space Workshop held on February 19, 2011 at the Institute for Aerospace Studies of the aforementioned university.

I the undersigned, hereby acknowledge that certain risks of injury are inherent to participation in hands-on science and engineering activities. These types of injuries may be minor or serious and may result from one's own actions, or the actions of others, or a combination of both. I understand that the rules and regulations are designed for the safety and protection of participants and hereby undertake that my child will abide by these rules and regulations. I hereby warrant that my child is physically fit to participate and understand that the choice to participate brings with it the assumption of those risks and results which are part of these activities. I agree that the Governing Council of the University of Toronto or the UTSDC, their directors, officers, employees, agents, and volunteers, shall not be liable for any injury to my child or loss or damage to my child's personal property arising from, or in any way resulting from, his/her participation in those activities, unless such injury, loss or damage is caused by the sole negligence of the University, the UTSDC, their directors, officers, employees, agents, and volunteers, while acting within the scope of their duties. I agree to allow my child to receive basic first aid/medical care from instructors certified in first aid or trained medical professionals if necessary. I declare having read and understood the above Informed Consent Agreement in its entirety and hereby consent to participate acknowledging all the foregoing.
